

Initial Piercers' Bloodborne Pathogens Course Completion Proof Requirement

Initial Piercers' Bloodborne Pathogens Course Completion Proof Requirement: When you register for Florida Piercers' Online Annual Bloodborne Pathogens Refresher Training, you are required to provide proof of initial course completion ([FL requires that all piercers must complete department approved initial course in a class room settings for the first time](#)) to take online annual refresher course every year.

How to send proof: Scan or Digital photo copy of your initial certificate (not previous annual refresher certificate) and email to admin@blxtraining.com before initiating the course.

Your piercers' annual refresher course completion certificate is only valid if you have had completed initial course through approved provider in a class room setting.

Important: In addition, **you must spell your name exactly as it appears on the primary ID document(s) while taking course** (other than accents or diacritical marks). The course completion certificate will required your full legal name as it appears on the government issued ID (**No nick names are allowed to be printed on the certificate**). Only certificate with full legal name is accepted by the County Health Department.
