Dear Mr./Ms. Patel:

The Maryland State Board of Dental Examiners (the "Board") reviewed and approved the continuing education course titled: "**Proper Prescribing and Disposal of Prescription Drugs**", at its August 1, 2013 Board meeting. The course **will be** approved for 2 continuing education units **pending the attendance of October 9th training course that the Board is sponsoring.**

This course can be counted towards the 30 CE requirements but not for the 2 CE's required for Drug Prescribing and Disposal regulation due for 2015 licensee's.

This letter does not serve as certification of course completion or attendance. Please ensure that you issue an appropriate certificate or signed letter to attendees of the course(s), lecture(s), or conference. The document must contain the course name, date given, name of the attendee, and number of continuing education hours awarded.

If you have any questions regarding this matter, please contact Debbie Welch at 410-402-8511.

Sincerely,

Sandra Sage
Hygiene Licensing Coordinator
